

BRAND IN A DAY

Brand Yourself in a Day

Pick a mark, a palette, and a voice that make you instantly recognizable — in an afternoon.

Recognizable beats fancy

A brand isn't a logo — it's repetition. One mark, one palette, one voice, used everywhere, until people know it's you at a glance.

The signature mark

Find one visual element that's truly yours (a shape, an object you wear, a motif) and put it on everything.

- ☐ Pick ONE signature mark
- ☐ Use it on every post, card, and cover
- ☐ Keep it simple enough to draw from memory

The palette

Three colors max: a dark, a light, and one accent. Use them consistently and your feed becomes a cohesive wall.

The voice

- ☐ Write 5 phrases you'd actually say
- ☐ Pick your tone: warm? sharp? plain?
- ☐ Decide your 'always' and 'never'

THE TEST

If someone saw your post with no name on it, would they know it's you? That's a brand.
