Atomize One Idea Into a Week of Content

The repurposing template that turns a single pillar into a full week across every format.

One pillar, many shapes

A pillar is one raw idea: a video, transcript, or voice note. Atomizing means reshaping that single idea into every format your platforms reward.

The week, mapped

- ☐ Mon: anchor video / hook
- ☐ Tue: carousel (the how)
- ☐ Wed: written post (the argument)
- ☐ Thu: quote cards
- ☐ Fri: meme / relatable
- ☐ Sat: use-case list
- ☐ Sun: newsletter

The rule of voice

Every piece stays in your voice and ladders to one message. Don't dilute — repeat the core idea in new clothes.

PRO MOVE

Each piece ends with the same call to action. Repetition across formats is what makes the message stick.

Fill-in template

Core idea: _____. One-line hook: _____. The proof: _____. The CTA: _____. Now stamp it across all seven formats above.
