Cancel Anything

Copy-paste email templates and prompts that cancel stubborn subscriptions and get your money back.

When 'cancel' is hidden on purpose, a firm email cuts through.

- 1 Send a clear cancellation with a deadline and a consequence.
- 2 No reply? Resend daily.
- 3 Still nothing? Dispute the charge with your card issuer.
- 4 Keep every email - it's your evidence.
- 5 A stated chargeback makes vendors fold fast.

That's the whole system. The rest of this guide walks each step, with copy-paste prompts you can run in one tap.
