Cancel Anything

Copy-paste email templates that cancel stubborn subscriptions and get your money back.

When 'cancel' is hidden on purpose

Some services bury the cancel button. A firm, on-record email — with a deadline and a consequence — cuts through it.

Template: standard cancellation

COPY-PASTE

"I'm requesting immediate cancellation of my [service] subscription, with no further charges, and confirmation in writing. Please confirm within 5 business days."

Template: refund + can't-cancel

COPY-PASTE

"I've tried to cancel multiple times and couldn't. Please cancel immediately, refund my most recent charge, and confirm in writing within 5 business days, or I will dispute the charge with my card issuer as an unauthorized recurring charge."

The escalation ladder

- ☐ Day 1: send the cancellation email
- ☐ No reply: resend daily
- ☐ Still nothing: dispute via your bank/card
- ☐ Keep every email — it's your evidence

WHY IT WORKS

A written deadline + a stated consequence + a paper trail. Vendors fold fast when a chargeback is on the table.
